Some Capitation Payments Are Delayed to March Only New Medicare Health Plans Are Affected

Because of a necessary process, January and February capitation payments related only to our new Medicare Advantage health plans, **VNSNY CHOICE EasyCare (HMO)** and **VNSNY CHOICE EasyCare Plus (HMO D-SNP)**, are delayed.

To ensure that the new plans are set up for proper provider payments, we are conducting additional audits, which will delay the January and February capitation payments until March.

The capitation payments tied to our long-term care Medicare plan, VNSNY CHOICE Total (HMO D-SNP), are not affected and are being processed as normal.

We value your partnership and apologize for any inconvenience this delay may cause. Thank you for your understanding.
