# Get the most from your OTC benefit!

---

A great benefit of being a VNS Health EasyCare member is that you get a card to purchase OTC items you need every quarter. Each quarter you are covered for up to the amount shown on your card carrier communication. There is no out-of-pocket cost to you, up to the maximum quarterly benefit amount. Balances left over at the end of the quarter do not carry over.

This catalog includes important information about how to use your OTC benefits. Please keep it handy, so you can refer to it when you need to purchase OTC items.

## Activating and Managing Your OTC Card

Before you use the card for the first time, you must call the number on your card to activate it. Follow the instructions included on the sticker on the front of your card. As soon as it's activated, you can start shopping with your OTC card.

Please call your Care Team at 1-866-783-1444 (TTY: 711) if you need help. If your card is ever lost or stolen, please contact us immediately. We will cancel your card and send you a new one.

See the OTC product listing starting on **page 14** for a list of covered items. Please note that products are intended for personal use. For this reason, we don't allow returns or exchanges.

- **To find out your current available balance**, you can call us or visit [mybenefitscenter.com](https://mybenefitscenter.com) and log in with your OTC card number.
- **If your order total exceeds your benefit amount**, credit cards are accepted. Your full OTC benefit must be used before other forms of payment will be accepted. Your order total will be applied to the benefit period in which the order is received.
- **This product list is subject to change**. We reserve the right to limit quantities of items if there is a market shortage. Quantities, sizes, and values may change depending on availability. For the most up-to-date listing of OTC products available, go to: [mybenefitscenter.com](https://mybenefitscenter.com).
