**Note to existing members:** This Formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this Drug List (Formulary) refers to “we,” “us,” or “our,” it means VNS Health Health Plans. When it refers to “plan” or “our plan,” it means VNS Health EasyCare Plus and VNS Health Total.

This document includes a Drug List (formulary) for our plan, which is current as of 5/27/25. For an updated Drug List (formulary), please contact us. Our contact information, along with the date we last updated the Drug List (formulary), appears on the front cover and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on January 1, 2025, and from time to time during the year.

## **What is the VNS Health Medicare formulary?**

In this document, we use the terms Drug List and formulary to mean the same thing. A formulary is a list of covered drugs selected by VNS Health Medicare, in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. VNS Health Medicare will generally cover the drugs listed in our formulary as long as the drug is medically necessary. The prescription is filled at a VNS Health Medicare network pharmacy, and other plan rules

are followed. For more information on how to fill your prescriptions, please review your *Evidence of Coverage*.

## Can the formulary change?

Most changes in drug coverage happen on January 1, but VNS Health EasyCare Plus and VNS Health Total may add or remove drugs on the formulary during the year or add new restrictions. We must follow the Medicare rules in making these changes. Updates to the formulary are posted monthly to our website here: [vnshealthplans.org/formulary](https://vnshealthplans.org/formulary).

**Changes that can affect you this year:** In the below cases, you will be affected by coverage changes during the year:

- **Immediate substitutions of certain new versions of brand name drugs and original biological products.** We may immediately remove a drug from our formulary if we are replacing it with a certain new version of that drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. When we add a new version of a drug to our formulary, we may decide to keep the brand name drug or original biological product on our formulary, but immediately move it to a different cost-sharing tier or add new restrictions.

We can make these immediate changes only if we are adding a new generic version of a brand name drug or adding certain new biosimilar versions of an original biological product, that was already on the formulary (for example, adding an interchangeable biosimilar that can be substituted for an original biological product by a pharmacy without a new prescription).

If you are currently taking that brand name drug or original biological product, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.

If we make such a change, you or your prescriber can ask us to make an exception and continue to cover for you the drug that is being changed. For more information, see the section below titled “How do I request an exception to the VNS Health Medicare Formulary?”

Some of these drug types may be new to you. For more information, see the section below titled “What are original biological products and how are they related to biosimilars?”

- **Drugs removed from the market.** If a drug is withdrawn from sale by the manufacturer or the Food and Drug Administration (FDA) determines to be withdrawn for safety or effectiveness reasons, we may immediately remove the drug from our formulary and later provide notice to members who take the drug.
- **Other changes.** We may make other changes that affect members currently taking a drug. For instance, we may add a new generic drug to replace a brand-name drug currently on the formulary or add a new biosimilar to replace an original biological product currently on the formulary or add new restrictions or move a drug we are keeping on the formulary to a higher cost-sharing tier or both after we add a corresponding drug. We may make changes based on new clinical guidelines. If we remove drugs from our formulary or, add prior authorization, quantity limits and/or step therapy restrictions on a drug, we must notify affected members of the change at least 30 days before the change becomes effective. Alternatively, when a member requests a refill of the drug, they may receive a 30-day supply of the drug and notice of the change.

If we make these other changes, you or your prescriber can ask us to make an exception for you and continue to cover the drug for you have been taking. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the VNS Health Medicare Formulary?”

**Changes that will not affect you if you are currently taking the drug.** Generally, if you are taking a drug on our 2025 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2025 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, such changes would affect you, and it is important to check the formulary for the new benefit year for any changes to drugs.

The enclosed formulary is current as of 5/27/25. To get updated information about the drugs covered by VNS Health Medicare, please contact us. Our contact information appears on the front cover and back cover pages. If we update our printed formulary with non-maintenance formulary changes, we will send you a notice that includes this information.

## **How do I use the Formulary?**

There are two ways to find your drug within the formulary:

### **Medical Condition**

The formulary begins on page 3. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, “Cardiovascular.” If you know what your drug is used for, look for the category name in the list that begins on page 3. Then look under the category name for your drug.

### **Alphabetical Listing**

If you are not sure what category to look under, you should look for your drug in the Index that begins on page I-1. The Index provides an alphabetical list of all of the drugs included in this document. Both brand name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

## **What are generic drugs?**

VNS Health Medicare covers both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs work just as well as and usually cost less than brand-name drugs. There are generic drug substitutes available for many brand name drugs. Generic drugs usually can be substituted for the brand name drug at the pharmacy without needing a new prescription, depending on state laws.

## **What are original biological products and how are they related to biosimilars?**

On the formulary, when we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have alternatives that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

- For discussion of drug types, please see the Evidence of Coverage, Chapter 5, Section 3.1, “The ‘Drug List’ tells which Part D drugs are covered.”

## **Are there any restrictions on my coverage?**

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** VNS Health Medicare requires you or your prescriber to get prior authorization for certain drugs. This means that you will need to get approval from VNS Health Medicare before you fill your prescriptions. If you don’t get approval, VNS Health Medicare may not cover the drug.
- **Quantity Limits:** For certain drugs, VNS Health Medicare limits the amount of the drug that VNS Health Medicare will cover. For example, VNS Health Medicare provides varying quantity limits, depending on strength, per prescription for Celecoxib. This may be in addition to a standard one-month or three-month supply.
- **Step Therapy:** In some cases, VNS Health Medicare requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, VNS Health Medicare may not cover Drug B unless you try Drug A first. If Drug A does not work for you, VNS Health Medicare will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 3. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front cover and back cover pages.

You can ask VNS Health Medicare to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, “How do I request an exception to the VNS Health Medicare formulary?” on page VII for information about how to request an exception.

## **What are over-the counter (OTC) drugs?**

OTC drugs are non-prescription drugs that are not normally covered by a Medicare Prescription Drug Plan. VNS Health Medicare pays for certain OTC drugs.

VNS Health Medicare will provide these OTC drugs at no cost to you. The cost to VNS Health EasyCare Plus and VNS Health Total of these OTC drugs will not count toward your total Part D drug costs.

## What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact your Care Team and ask if your drug is covered.

If you learn that VNS Health Medicare does not cover your drug, you have two options:

- You can ask your Care Team for a list of similar drugs that are covered by VNS Health Medicare. When you receive the list, show it to your doctor and ask them to prescribe a similar drug that is covered by VNS Health Medicare.
- You can ask VNS Health Medicare to make an exception and cover your drug. See below for information about how to request an exception.

## How do I request an exception to the VNS Health Medicare Formulary?

You can ask VNS Health Medicare to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to waive a coverage restriction including prior authorization, step therapy, or a quantity limit on your drug. For example, for certain drugs, VNS Health Medicare limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, VNS Health Medicare will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or applying the restriction would not be as effective for you and/or would cause you to have adverse effects.

You or your prescriber should contact us to ask us for tiering or, a formulary exception. **When you request an exception, your prescriber will need to explain the medical reasons why you need the exception.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can ask for an expedited (fast) decision if you believe, and we agree, that your health could be seriously harmed by waiting up to 72 hours for a decision. If we agree, or if your prescriber asks for a fast decision, we must give you a decision no later than 24 hours after we get your prescriber's supporting statement.

## **What can I do if my drug is not on the formulary or has a restriction?**

As a new or continuing member in our plan, you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but has a coverage restriction, such as prior authorization. You should talk to your prescriber about requesting a coverage decision to show that you meet the criteria for approval, switching to an alternative drug that we cover, or requesting a formulary exception so that we will cover the drug you take. While you and your doctor determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or has a coverage restriction, we will cover a temporary 31-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum 31-day supply of medication. If coverage is not approved, after your first 31-day supply, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

A transition fill is provided to current members that are in need of a one-time Emergency Fill that are prescribed a non-formulary drug as a result of a level of care change.

# VNS Health Medicare's Formulary

The formulary that begins on page 3 provides coverage information about the drugs covered by VNS Health Medicare. If you have trouble finding your drug in the list, turn to the Index that begins on page I-1.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., BIKTARVY) and generic drugs are listed in lower-case italics (e.g., *naproxen*).

The information in the Requirements/Limits column tells you if VNS Health Medicare has any special requirements for coverage of your drug.

(Lista de medicamentos cubiertos o Lista de medicamentos)

**LEER: ESTE DOCUMENTO CONTIENE INFORMACIÓN  
SOBRE LOS MEDICAMENTOS CUBIERTOS POR ESTE PLAN**

Incluye miembros inscritos en VNS Health EasyCare Plus (HMO D-SNP)  
y VNS Health Total (HMO D-SNP)

N.º de identificación de la presentación del archivo del formulario aprobado de HPMS:  
25254

Este formulario se actualizó el 5/27/25. Para obtener la información más actualizada o si tiene otras preguntas, comuníquese con nosotros al 1-866-783-1444 (TTY: 711), 7 días de la semana, 8 am – 8 pm (oct. – mar.) y días laborables, 8 am – 8 pm (abr. – set.), o visite [vnshealthplans.org](https://vnshealthplans.org).

**Nota para miembros actuales:** Este formulario ha sido modificado desde el año pasado. Lea este documento para asegurarse de que aún figuran los medicamentos que toma.

Cuando esta Lista de medicamentos (formulario) se refiere a “nosotros”, “nos”, “nuestro”, hace referencia a los planes de salud de VNS Health. Cuando se refiere al “plan” o “nuestro plan”, hace referencia a VNS Health EasyCare Plus y VNS Health Total.

Este documento incluye una Lista de medicamentos (formulario) de nuestro plan, vigente a partir de 5/27/25. Para obtener una Lista de medicamentos (formulario) actualizada, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la Lista de medicamentos (formulario), aparece en la portada y en la contraportada.

En general, usted deberá utilizar farmacias de la red de servicios para acceder a su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de servicios de farmacias o los copagos/coseguros pueden cambiar el 1 de enero de 2025 y en otras ocasiones durante el año.

## ¿Qué es el formulario de VNS Health Medicare?

En este documento, usamos los términos Lista de medicamentos y formulario para hacer referencia a lo mismo. Un formulario es una lista de los medicamentos cubiertos seleccionados por VNS Health Medicare junto con un equipo de proveedores de atención médica, que muestra las terapias con medicamentos recetados que se consideran una parte integral de un programa de tratamiento de calidad. Por lo general, VNS Health Medicare cubre los medicamentos que se detallan en nuestro formulario siempre que sean médicamente necesarios. Las recetas se surten en una farmacia de la red de servicios de VNS Health Medicare y se deben cumplir otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas médicas, lea la *Evidencia de cobertura*.

## ¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero VNS Health EasyCare Plus y VNS Health Total pueden agregar o quitar medicamentos del formulario o agregar restricciones durante el año. Debemos seguir las reglas de Medicare cuando se realizan estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web aquí: [vnshealthplans.org/formulary](https://vnshealthplans.org/formulary).

**Cambios que pueden afectarlo este año:** En los siguientes casos, usted se verá afectado por las modificaciones en la cobertura durante el año en curso:

- **Sustitución inmediata de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos retirar inmediatamente un medicamento de nuestro formulario si lo reemplazamos con una determinada versión nueva de ese medicamento que aparecerá en el mismo nivel de gasto compartido o en uno menor y con las mismas restricciones o menos. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero cambiarlo inmediatamente a un nivel de gastos compartidos diferente o agregar nuevas restricciones.

Podemos hacer estos cambios inmediatos solo si agregamos una nueva versión genérica de un medicamento de marca, o si agregamos ciertas versiones biosimilares nuevas de un producto biológico original, que ya estaba en el formulario (por ejemplo, al agregar un biosimilar intercambiable que puede ser sustituido por un producto biológico original en una farmacia sin una nueva receta).

Si actualmente toma el medicamento de marca o el producto biológico original, es posible que no le informemos por adelantado antes de hacer el cambio, pero luego le brindaremos información sobre los cambios específicos que hemos hecho.

Si implementamos dicho cambio, usted u otra persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo para usted el medicamento que se está cambiando. Para obtener más información, consulte la sección a continuación titulada “¿Cómo solicito una excepción para el Formulario de VNS Health Medicare?”

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”

- **Medicamentos que fueron retirados del mercado.** Si un medicamento es retirado de la venta por el fabricante, o la Administración de Alimentos y Medicamentos (FDA) determina su retiro por motivos de seguridad o eficacia, podemos retirar inmediatamente el medicamento de nuestro formulario y luego notificar a los miembros que lo toman.
- **Otros cambios.** Es posible que realicemos otros cambios que afecten a los miembros que estén tomando un medicamento. Por ejemplo, podemos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca que se encuentra actualmente en el formulario, o agregar un nuevo biosimilar para reemplazar un producto biológico original actualmente en el formulario, o agregar nuevas restricciones o mover un medicamento que mantenemos en el formulario a un nivel de costo compartido más alto, o ambas cosas después de agregar un medicamento correspondiente. Podemos realizar cambios según nuevas pautas clínicas. Si retiramos medicamentos de nuestro formulario o agregamos una autorización previa, límites de cantidad o restricciones de terapia escalonada a un medicamento, debemos notificar a los miembros afectados sobre el cambio, al menos 30 días antes de que el cambio esté vigente. O bien, cuando un miembro solicita un resurtido del medicamento, puede recibir un suministro del medicamento para 30 días y un aviso del cambio.

Si implementamos estos cambios, usted u otra persona autorizada a dar recetas pueden solicitarle que hagamos una excepción para usted y que sigamos cubriendo el medicamento que ha estado tomando. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción. También puede encontrar información en la sección a continuación

denominada “¿Cómo solicito una excepción al Formulario de VNS Health Medicare?”.

**Cambios que no le afectarán si actualmente toma el medicamento.** Por lo general, si toma un medicamento que se encuentra en nuestro formulario de 2025 que estaba cubierto al comienzo del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2025, excepto en los casos que se describieron anteriormente. Esto significa que estos medicamentos estarán disponibles al mismo costo compartido y no habrá restricciones nuevas para los miembros que los toman por el resto del año de cobertura. Usted no recibirá un aviso directo este año sobre las modificaciones que no lo afecten. Sin embargo, dichos cambios podrían afectarle a partir del 1 de enero del año siguiente, y es importante que revise el formulario del nuevo año de beneficios para ver los cambios en los medicamentos.

El formulario adjunto está vigente desde 5/27/25. Para obtener información actualizada sobre los medicamentos cubiertos por VNS Health Medicare, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada. Si actualizamos nuestro formulario impreso con cambios al formulario que no sean de mantenimiento, le enviaremos una notificación con dicha información.

## **¿Cómo uso el Formulario?**

Usted puede encontrar su medicamento en el formulario de dos formas:

### **Afección médica**

El formulario comienza en la página 3. Los medicamentos en este formulario están agrupados en categorías que dependen del tipo de afección médica para la cual se los suele utilizar. Por ejemplo, los medicamentos que se usan para tratar una enfermedad cardíaca se encuentran en la categoría “Cardiovascular”. Si usted sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que comienza en la página 3. Luego busque su medicamento bajo dicha categoría.

### **Listado alfabético**

Si no está seguro en qué categoría debe buscar, busque el medicamento en el Índice que comienza en la página I-1. En el Índice figura una lista alfabética de todos los medicamentos incluidos en este documento. El Índice incluye tanto medicamentos de marca como genéricos. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde podrá encontrar información sobre la cobertura. Busque la página indicada en el Índice y podrá encontrar el nombre de su medicamento en la primera columna de la lista.

## ¿Qué son los medicamentos genéricos?

VNS Health Medicare cubre tanto medicamentos de marca como genéricos. La Administración de Alimentos y Medicamentos (FDA) aprueba un medicamento genérico cuando considera que contiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien que los medicamentos de marca y, en general, cuestan menos. Hay medicamentos genéricos sustitutos disponibles para muchos medicamentos de marca. Por lo general, los medicamentos genéricos pueden sustituir al medicamento de marca en la farmacia sin necesidad de una nueva receta, según las leyes estatales.

## ¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando hablamos de medicamentos, podríamos hacer referencia a un medicamento o un producto biológico. Los productos biológicos son medicamentos que son más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se llaman biosimilares. En general, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según las leyes estatales, pueden ser sustituidos por el producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden ser sustituidos por medicamentos de marca.

- Para obtener información sobre los tipos de medicamentos, consulte la Evidencia de cobertura, Sección 3.1 del Capítulo 5, “La 'Lista de medicamentos' indica qué medicamentos de la Parte D están cubiertos”.

## ¿Mi cobertura tiene alguna restricción?

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites en su cobertura. Algunos de los requisitos y límites pueden ser los siguientes:

- **Autorización previa:** VNS Health Medicare requiere que usted o la persona autorizada a dar recetas obtengan una autorización previa para determinados medicamentos. Esto significa que deberá contar con la aprobación de VNS Health Medicare antes de surtir sus recetas médicas. Si no tiene la aprobación, es posible que VNS Health Medicare no cubra el medicamento.

- **Límites de cantidad:** Para determinados medicamentos, VNS Health Medicare limita la cantidad de medicamentos que cubrirá. Por ejemplo, VNS Health Medicare proporciona límites variados en las cantidades, dependiendo de la concentración, por receta médica de celecoxib. Esto puede ser provisto además del suministro estándar de un mes o tres meses.
- **Tratamiento escalonado:** En algunos casos, VNS Health Medicare requiere que primero pruebe determinados medicamentos para tratar su afección médica antes de que cubramos otro medicamento para dicha afección. Por ejemplo, si el medicamento A y el medicamento B tratan su afección médica, es posible que VNS Health Medicare no cubra el medicamento B si no prueba el medicamento A primero. Si el medicamento A no funciona para usted, entonces VNS Health Medicare cubrirá el medicamento B.

Puede confirmar si su medicamento tiene requisitos o límites adicionales consultando el formulario que comienza en la página 3. También puede obtener más información sobre las restricciones que se aplican a los medicamentos cubiertos específicos en nuestro sitio web. En dicho sitio web publicamos documentos disponibles en línea que explican nuestro procedimiento de autorización previa y las restricciones en el tratamiento escalonado. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto y la fecha de la última actualización del formulario aparecen en la portada y en la contraportada.

Puede pedirle a VNS Health Medicare que haga una excepción a estas restricciones o límites o respecto de una lista de otros medicamentos similares que pueden tratar su afección de salud. Consulte la sección “¿Cómo solicito una excepción al Formulario de VNS Health Medicare?” en la página XXI para obtener información sobre cómo solicitar una excepción.

## ¿Qué son los medicamentos de venta libre (OTC)?

Los medicamentos de venta libre (OTC) son medicamentos no recetados que normalmente no están cubiertos en un plan de medicamentos recetados de Medicare. VNS Health Medicare paga ciertos medicamentos de OTC.

## **¿Qué sucede si mi medicamento no figura en el formulario?**

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con su Equipo de atención y preguntarle si el medicamento está cubierto.

Si VNS Health Medicare no cubre su medicamento, tiene dos opciones:

- Puede pedirle a su Equipo de atención una lista de los medicamentos similares que estén cubiertos por VNS Health Medicare. Cuando reciba la lista, muéstrese la a su médico y pídale que le recete un medicamento similar que esté cubierto por VNS Health Medicare.
- Puede pedirle a VNS Health Medicare que haga una excepción y cubra su medicamento. A continuación, se explica cómo solicitar una excepción.

## **¿Cómo solicito una excepción al Formulario de VNS Health Medicare?**

Puede pedirle a VNS Health Medicare que haga una excepción de nuestras reglas de cobertura. Existen distintos tipos de excepciones que usted puede solicitarnos.

- Puede pedirnos que el plan cubra un medicamento aunque no esté en nuestro formulario. Si su pedido se aprueba, este medicamento quedará cubierto en un nivel de costo compartido predeterminado y no podrá solicitarnos que brindemos el medicamento en un nivel de costo compartido inferior.
- Puede pedirnos que no apliquemos una restricción de cobertura que incluya una autorización previa, un tratamiento escalonado o un límite de cantidad para su medicamento. Por ejemplo, para determinados medicamentos, VNS Health Medicare limita la cantidad de un medicamento que cubrirá. Si su medicamento tiene un límite de cantidad, puede pedirnos que eliminemos ese límite y cubramos una cantidad mayor.

Por lo general, VNS Health Medicare solo aprobará su solicitud de una excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento con menor gasto compartido o la aplicación de la restricción no resultaran tan eficaces para usted ni provocaran efectos adversos.

Usted o la persona autorizada a dar recetas deben comunicarse con nosotros para solicitar una excepción de nivel o formulario. **Cuando solicite una excepción, la persona autorizada a dar recetas deberá explicarle los motivos médicos por los que necesita la excepción.** Por lo general, debemos tomar una decisión dentro de las 72 horas luego de haber recibido la declaración de respaldo de la persona autorizada a dar recetas. Puede solicitar una decisión acelerada (rápida) si cree, y estamos de acuerdo, que su salud podría verse gravemente perjudicada si espera hasta 72 horas por una decisión. Si estamos de acuerdo, o si la persona autorizada a dar recetas solicita una decisión rápida, debemos comunicarle una decisión en un plazo máximo de 24 horas después de recibir la declaración de apoyo de la persona autorizada a dar recetas.

### **¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?**

Como miembro nuevo o actual de nuestro plan, es posible que esté tomando medicamentos que no estén en nuestro formulario. O bien, puede estar tomando un medicamento que está en nuestro formulario, pero que tiene una restricción de cobertura, como una autorización previa. Debe hablar con la persona autorizada a dar recetas sobre solicitar una decisión de cobertura para demostrar que cumple con los criterios de aprobación, cambiar a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras usted y su médico/a determinan el curso de acción correcto para usted, podemos cubrir el medicamento en ciertos casos durante los primeros 90 días tras convertirse en miembro de nuestro plan.

Para cada uno de sus medicamentos que no estén en nuestro formulario o que tengan una restricción de cobertura, cubriremos un suministro temporal de 31 días. Si su receta está indicada para menos días, permitiremos obtener varias veces los medicamentos hasta llegar a un máximo de un suministro para 31 días del medicamento. Si no se aprueba la cobertura, luego de su primer suministro para 31 días, no pagaremos esos medicamentos, incluso si usted ha sido miembro del plan durante menos de 90 días.

Si es residente de un centro de atención a largo plazo y necesita un medicamento que no se encuentra en nuestro formulario, o si su capacidad de obtener los medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia para 31 días de ese medicamento mientras solicita una excepción al formulario.

Se proporciona un surtido de transición a los miembros actuales que necesitan un surtido de emergencia único a quienes se les recetó un medicamento que no está en el formulario como resultado de un cambio en el nivel de atención.

一般而言，您必須使用網絡內藥房才能享受處方藥福利。自 2025 年 1 月 1 日起和在該年內，福利、處方藥一覽表、藥房網絡和/或共付額/共同保險可能會不時有所調整。

## 什麼是 VNS Health 富康醫療紅藍卡計劃 (Medicare) 處方藥一覽表？

在本文件中，術語「藥物清單」和「處方藥一覽表」表示同一清單。處方藥一覽表是 VNS Health 富康醫療紅藍卡計劃 (Medicare) 透過諮詢醫療提供者團隊所選出的承

XXX

保藥物清單，是高品質治療計劃中不可或缺的處方藥治療。只要處方藥具有醫療必需性，且於 VNS Health 富康醫療紅藍卡計劃 (Medicare) 網絡內藥房配取，並遵守其他計劃規則，VNS Health 富康醫療紅藍卡計劃 (Medicare) 通常會承保列於我們處方藥一覽表中的藥物。如需瞭解有關如何配取處方藥的更多資訊，請查閱您的「承保範圍說明書」。

## 處方藥一覽表是否會變更？

藥物承保的變更多半會在 1 月 1 日開始，但 VNS Health 富康醫療 EasyCare Plus 和 VNS Health 富康醫療 Total (HMO D-SNP) 在該年內可能會新增藥物至處方藥一覽表，或從中刪除藥物，或增設新的限制。進行變更時，我們必須遵守紅藍卡 (Medicare) 的規定。我們的網站上每月會發佈一次處方藥一覽表的更新：  
[vnshealthplans.org/formulary](https://vnshealthplans.org/formulary)。

**今年可能會對您造成影響的變更：**在下列情況中，您將受到當年承保範圍更改的影響：

- **立即使用某些新藥替代品牌藥和原研生物製品。**如果我們要以某種新藥取代我們處方藥一覽表上的某種藥物，同時新藥會列在相同或更低的分攤費用等級且限制規定將會相同或更少，我們可能會立即刪除處方藥一覽表上的該藥物。當我們向處方藥一覽表中添加新藥時，我們可能決定保留處方藥一覽表上的品牌藥或原研生物製品，但會立即將其移到不同的分攤費用等級或增加新的限制規定。

只有當我們計劃為某種品牌藥新增某種普通藥，或為處方藥一覽表上已有的某種原研生物製品新增某些生物仿製藥時，我們才能立即進行這些變更（例如，添加可互換生物仿製藥時，藥房無需新處方即可用其替代原研生物製品）。

如果您目前正在使用該品牌藥或原研生物製品，我們可能不會在做出該變更前通知您，但我們之後會將已做特定變更的相關資訊提供給您。

如果我們進行這類變更，您或您的處方醫生可要求我們進行例外處理，繼續為您承保正在變更的藥物。如需瞭解更多資訊，請參見後文的「如何申請 VNS Health 富康醫療紅藍卡計劃 (Medicare) 處方藥一覽表例外處理？」章節。

其中一些藥物類型對您來說可能是陌生的。如需瞭解更多資訊，請參見後文的「什麼是原研生物製品，它們與生物仿製藥有何關係？」章節。

- **退出市場的藥物。**如果某種藥物被製造商撤出市場，或者美國食品及藥物管理局 (FDA) 出於安全或有效性原因要求其退市，我們會立即從我們的處方藥一覽表上刪除該藥物，並在之後向使用該藥物的會員發出通知。
- **其他變更。**我們可能會進行其他變更，這些變更會影響目前使用某種藥物的會員。例如，我們可能會新增一種普通藥以取代處方藥一覽表上現有的品牌藥，或新增一種生物仿製藥以取代處方藥一覽表上現有的原研生物製品，或者在新增一種相應藥物後對處方藥一覽表上現有的藥物增設新的限制條件，或將其轉移到更高的分攤費用等級，或者同時作出這兩種變更。我們還可能會根據新的臨床指南進行變更。若我們從處方藥一覽表中刪除了藥物，對某種藥物新增了事先授權、數量限制和/或階段治療限制，則我們必須在該變更生效前至少 30 天，或在會員要求重新配藥時通知受影響的會員，屆時該名會員將收到 30 天份量的藥物。

如果我們進行其他變更，您或您的處方醫生可以要求我們作出例外處理，繼續為您承保您一直以來使用的藥物。我們提供給您的通知也會列出相關資訊，告訴您如何申請例外處理，您還可以在「如何申請 VNS Health 富康醫療紅藍卡計劃 (Medicare) 處方藥一覽表例外處理？」章節下找到資訊。

**不會影響您目前所使用藥物的變更。**一般而言，若您在使用從年初開始享受承保的 2025 年處方藥一覽表上的藥物，我們不會在 2025 年承保年度中終止或減少此藥物的承保，上述情況除外。換言之，在承保年度的剩餘時間內，此藥物將以相同的分攤費用向使用此藥物的會員提供，且不設新的限制。對於不會影響您的變更，今年內您不會收到有關直接通知。然而，自明年的 1 月 1 日起，此類變更將會影響到您，因此務必檢查新福利年度的處方藥一覽表，瞭解藥物是否有任何變更。

本文件內附的處方藥一覽表最後更新於 5/27/25。如需獲取有關 VNS Health 富康醫療紅藍卡計劃 (Medicare) 承保之藥物的最新資訊，請聯絡我們。我們的聯絡資訊載於封面和封底。如果我們更新的處方藥一覽表印刷版本包含非維持性處方藥一覽表變更，我們將就此資訊向您發送通知。

## 如何使用處方藥一覽表？

有兩種方法在處方藥一覽表中查找您所需的藥物：

### 病症

處方藥一覽表從第 3 頁開始。本處方藥一覽表中的藥物按照所治療的病症類型分類。例如，用來治療心臟病的藥物列在「心血管藥物」類別。若您瞭解藥物的用途，請在從第 3 頁開始的清單中查找類別名稱。然後，在此類別名稱下查找所需的藥物。

### 按字母順序排列的清單

如果您不確定要尋找什麼類別，您可以利用自第 I-1. 頁開始的索引來尋找您的藥物。該索引提供一份按字母順序排列的清單，其中有本文件包含的所有藥物。品牌藥和普通藥均列在該索引中。請在該索引中查找所需的藥物。在藥物旁邊，您將看到載有承保資訊的頁碼。轉到該索引中所列的頁碼，在清單的第一欄即可找到所需的藥物名稱。

## 甚麼是普通藥？

VNS Health 富康醫療紅藍卡計劃 (Medicare) 承保品牌藥和普通藥。普通藥是一種由 FDA 核准，具有與品牌藥相同活性成分的藥物。一般而言，普通藥的效果與品牌藥無異，而且通常費用更低。許多品牌藥皆有普通藥可供替代。普通藥通常可替代品牌藥，且無需新處方即可在藥房獲取，具體取決於州法律。

## 什麼是原研生物製品，它們與生物仿製藥有何關係？

當我們提到處方藥一覽表上的藥物時，可能是指某種典型藥物，也可能是指某種生物製品。生物製品是比典型藥物更為複雜的藥物。生物製品比典型藥物更複雜，因此它們沒有通用形態，而是具有稱為生物仿製藥的替代藥物。一般而言，生物仿製藥的效果與原研生物製品無異，而且費用更低。部分原研生物製品有生物仿製藥可供替代。某些生物仿製藥是可互換生物仿製藥，根據州法律，藥房無需新處方即可用其替代原研生物製品，這一點與用普通藥替代品牌藥類似。

- 有關藥物類型的討論，請參見「承保範圍說明書」第 5 章第 3.1 節「『藥物清單』說明何種 D 部分藥物有承保」。

## 對於我享受的承保範圍是否有任何限制？

某些承保藥物可能有其他要求或承保範圍限制。這些要求和限制可能包括：

- **預先授權：**對於某些藥物，VNS Health 富康醫療紅藍卡計劃 (Medicare) 要求您或您的處方醫生取得事先授權。這表示您將需要在配取處方藥前取得 VNS Health 富康醫療紅藍卡計劃 (Medicare) 的核准。如果您未就有關藥物取得核准，VNS Health 富康醫療紅藍卡計劃 (Medicare) 可能不會承保該藥物。
- **數量限制：**對於某些藥物，VNS Health 富康醫療紅藍卡計劃 (Medicare) 會限制其承保的藥物數量。例如，VNS Health 富康醫療紅藍卡計劃 (Medicare) 針對每份 Celecoxib 處方設定不同的數量限制，具體取決於含量。這可以另外附加在標準的一個月或三個月的藥量上。
- **階段治療：**某些情況下，VNS Health 富康醫療紅藍卡計劃 (Medicare) 會要求您先嘗試使用某些藥物治療您的病症後，才會承保您使用另外一種藥物。例如：若藥物 A 和藥物 B 皆可治療您的病症，則 VNS Health 富康醫療紅藍卡計劃 (Medicare) 可能不會承保藥物 B，除非您先嘗試使用藥物 A。如果藥物 A 對您無效，則 VNS Health 富康醫療紅藍卡計劃 (Medicare) 將會承保藥物 B。

您可以透過從第 3 頁開始的處方藥一覽表查詢您的藥物是否有額外的要求或限制。您也可以透過瀏覽我們的網站，取得更多關於特定承保藥物適用之限制的資訊。我們已在網站發佈文件說明我們的事前授權和循序用藥限制規定。您也可以要求我們寄一份給您。我們的聯絡資訊連同最後更新處方藥一覽表的日期載於封面和封底。

您可以要求 VNS Health 富康醫療紅藍卡計劃 (Medicare) 對此類限制或使用上限作出例外處理，或索取可能治療您的病症的其他相似藥物清單。請參見第 XXXVI 頁的「如何申請 VNS Health 富康醫療紅藍卡計劃 (Medicare) 處方藥一覽表例外處理？」章節，瞭解如何申請例外處理的相關資訊。

## 什麼是非處方 (OTC) 藥？

OTC 藥物是指紅藍卡處方藥計劃通常不承保的非處方藥。VNS Health 富康醫療紅藍卡計劃 (Medicare) 支付某些 OTC 藥物的費用。

### 若我的藥物不在處方藥一覽表上，該怎麼辦？

若您的藥物不在此處方藥一覽表（承保藥物清單）上，那麼您首先應該聯絡您的護理團隊，詢問您的藥物是否在承保範圍內。

若您得知 VNS Health 富康醫療紅藍卡計劃 (Medicare) 並未承保您的藥物，則您有兩種選擇：

- 您可以向您的護理團隊索取一份 VNS Health 富康醫療紅藍卡計劃 (Medicare) 承保的相似藥物的清單。當您收到該清單時，請拿給您的醫生看，並要求其開立由 VNS Health 富康醫療紅藍卡計劃 (Medicare) 承保的相似藥物。
- 您可以要求 VNS Health 富康醫療紅藍卡計劃 (Medicare) 作出例外處理並承保您的藥物。請查看以下關於如何申請例外處理的資訊。

### 如何申請 VNS Health 富康醫療紅藍卡計劃 (Medicare) 處方藥一覽表例外處理？

您可以要求 VNS Health 富康醫療紅藍卡計劃 (Medicare) 針對我們的承保規則作出例外處理。您可以向我們提出數種例外處理申請。

- 您可以要求我們承保一種藥物，即使它不在我們的處方藥一覽表上。如獲批准，此藥物將按預定分攤費用等級獲得承保，且您不得要求我們以更低的分攤費用等級提供此藥物。

- 您可以要求我們撤銷對您的藥物的承保限制，包括預先授權、階段治療或數量限制。例如：對於某些藥物，VNS Health 富康醫療紅藍卡計劃 (Medicare) 會限制我們承保的藥物數量。若您的藥物有數量限制，您可以要求我們撤銷限制並承保更多數量。

通常，只有在替代藥物包含在計劃的處方藥一覽表中時，較低的分攤費用藥物或施加限制對您無法達到相同的效果時，和/或可能造成副作用時，VNS Health 富康醫療紅藍卡計劃 (Medicare) 才會批准您的例外處理申請。

您或您的處方醫生應與我們聯絡，要求我們針對藥物等級或處方藥一覽表作出例外處理。當您申請例外處理時，您的處方醫生需要解釋您需要例外處理的醫療理由。通常，我們在收到處方醫生的支持聲明後，必須在 72 小時內做出決定。如果您認為等候 72 小時再做出決定會對您的健康造成嚴重傷害，並且我們同意這一觀點，那麼您可以申請加急（快速）裁決。如果我們同意，或者您的處方醫生要求快速決定，我們必須在收到處方醫生的支持聲明後 24 小時內為您作出決定。

## 如果我的藥物不在處方藥一覽表上或有限制，該怎麼辦？

身為我們計劃的新會員或續約會員，您可能正使用我們處方藥一覽表以外的藥物。或者，我們的處方藥一覽表上包含您正在使用的藥物，但有承保範圍限制，例如事先授權。您應該和您的處方醫生討論以下問題：是否申請承保範圍裁決以表明您符合批准標準、是否改用我們承保的替代藥物，或是否申請處方藥一覽表例外處理以便我們承保您使用的藥物。在您與醫生討論以確定何種措施對您合適的時候，我們會在您成為我們計劃會員的頭 90 天內針對某些情況為您的藥物提供承保。

對於所有不在我們處方藥一覽表上或有承保限制的藥物，我們將承保 31 天份量的臨時供藥。如果您處方的天數較少，我們將允許多次配藥，以提供最多達 31 天份量的供藥。如果承保未獲得批准，在提供頭 31 天供藥之後，我們將不再為您支付這些藥物的費用，即使您成為計劃會員還不足 90 天。

如果您住在長期護理機構，並且需要不在我們處方藥一覽表上的藥物，或如果您獲取藥物的能力受到限制，但您成為我們計劃會員已超過 90 天，則在您尋求處方藥一覽表例外處理時，我們將對該藥物承保 31 天份量的緊急供藥。

對於因護理水平變更而需要緊急配取所開立的處方藥一覽表以外的藥物的當前會員，我們將為其提供過渡性配藥。
